

Broadcast Solutions Just Got Broader

*Gepco and General Cable –
The Perfect Blend for Complete Interconnect Solutions*

Gepco International, a premier provider of cabling and connectivity products for the broadcast and professional AV markets, has joined forces with General Cable, a leading global wire and cable manufacturer for the energy, industrial, specialty and communication markets. With the blending of these two strong companies, we have broadened our capabilities to provide complete interconnect solutions to meet your project requirements.

Gepco offers custom solutions to save time and provide ease of installation for your next stadium integration project. In addition to highly customized products for the studio, truck bay, and field—including permanent installation and portable assemblies, racks, panels, pre-wired patchbays, and rugged SMPTE field boxes—Gepco has bulk cable for high-definition broadcast audio and video; networking and power with custom lengths; multiple jacket colors for color-coded wire runs; custom-printed labels and heat shrink; single-ended termination for cable pulls; and durable cable options for extended runs.

AUDIO

- Audio Interconnect Cable (Line Level)
- Single-Pair Audio Cable
- Microphone Cable
- 110 Ohm AES/EBU Single- and Multi-Pair Cables
- DT12 Snake Cable
- Gep-Flex Multi-Pair Audio Cable
- Audio Snake Cable
- Plenum Audio Snake Cable
- Speaker Wire
- High-Definition Speaker Wire

CAMERA

- 9.2 mm Extra-Flexible Hybrid Cable
- 9.2 mm Heavy-Duty Hybrid Cable
- 12 mm Heavy-Duty Hybrid Cable
- 16 mm Heavy-Duty Hybrid Cable
- 3-Channel Permanent Installation Fiber
- HD Electrical Breakout Cable
- Breakout Fiber Optic Cable
- Distribution Fiber Optic Cable
- Tactical Fiber Optic Cable
- Triaxial RG11 & RG59 Flexible Cable
- Permanent Install Triaxial Cable

VIDEO

- RG6, RG7, RG11 and RG59 Cables
- RG6, RG11 and RG59 Plenum Cables
- Permanent Installation Fiber
- Distribution Fiber Optic Cable
- 9.2 mm Permanent Installation Hybrid Fiber
- 3-Channel Permanent Installation Fiber
- HD-SDI Coaxial Cable
- HD Video Snake Cable
- RGB Component Video Cable
- Mini HD-SDI Coaxial Cable
- HD Mini Video Snake Cable
- Ultra-Mini HDTV Coaxial Cable
- Permanent Installation Triaxial Cable
- Carol[®] Brand Low-Skew Video Cable
- Composite AV Cable
- Carol[®] Brand Armored Coaxial Cable
- Security CCTV Cable

ELECTRONIC/CONTROL

- Building Automation Control Cable
- Carol[®] Brand Access Control Cable
- Carol[®] Brand Fire Alarm Cable
- Carol[®] Brand Security Cable
- Plenum HVAC Cable
- Sheer Wire[®] Cables for Lighting Control & Touch Panel Systems

NETWORK

- Enhanced Cat 5e, Cat 6 and Cat 6A
- Armored Cat 5e, Cat 6 and Cat 6A
- Tactical Cat 5e
- Tactical Fiber Optic Cable
- Premise and Indoor/Outdoor Fiber Optic Cables Featuring ClearCurve[®] Glass

POWER

- Carol[®] Brand SOOW, W, G-GC and G Portable Cord
- CCW[®] Armor 600 V - 35 kV
- DLO 2000 V
- Duralox 600 V - 35 kV Interlock Armor
- DuraSheath[®] 600 V, 2400 V RHH/RHW
- GenFree[™] LSZH 600 V, 2400 V
- GenFree[™] LSZH MV; 105 Unishield, Uniblend 5 kV - 35 kV
- SunGen[™] Photovoltaic Wire (Solar Systems)
- Underground Distribution Cable 5 kV - 46 kV, TRXLPE, EPR Insulation, Concentric Neutral
- Underground Distribution Cable 600 V XLPE

Also Available From Gepco

CABLE ASSEMBLIES

- SMPTE Hybrid Cables
- opticalCON[®]
- TAC-4 and TAC-12
- Permanent Installation Fiber Snakes
- Triaxial Camera
- Coaxial (BNC)
- DT12 Snakes & Fanouts
- HD Video Snakes
- RGB Video
- SVHS/DVI/HDMI
- Patchcords
- Digital Audio
- MDM Breakout
- Audio Snakes
- Microphone
- Speaker
- Guitar/Instrument
- Tactical Network

SPECIALTY PRODUCTS

- Hybrid Fiber Distribution Systems
- V-CON Connectors & Assemblies
- V-CON Breakout Boxes & Racks
- DT12 Connectors & Assemblies
- DT12 Breakout Boxes
- DT12 Tester
- Triax Testers
- Reelers
- Adapters

CUSTOM ASSEMBLIES & PRODUCTS

- Panels
- Harnessed Patchbays & Punchblocks
- Stage and Rack Boxes
- Snake Systems
- Adapter Patchcords
- D-Sub Cables
- Coaxial Cables (UHF, N, etc.)
- Cat 5 & Telco
