

# Broadcast Solutions Just Got Broader

*Gepco and General Cable –  
The Perfect Blend for Complete Interconnect Solutions*

Gepco International, a premier provider of cabling and connectivity products for the broadcast and professional AV markets, has joined forces with General Cable, a leading global wire and cable manufacturer for the energy, industrial, specialty and communication markets. With the blending of these two strong companies, we have broadened our capabilities to provide complete interconnect solutions to meet your project requirements.

Gepco offers custom solutions to save time and provide ease of installation for your high-definition mobile broadcast and production units. In addition to highly customized products such as assemblies, racks, panels, pre-wired patchbays and patch cords, Gepco has bulk cable for high-definition broadcast audio and video; networking and power with custom lengths; multiple jacket colors for color-coded wire runs; custom-printed labels and heat shrink; single-ended termination for cable pulls; and lightweight cable options.

## AUDIO

- Audio Interconnect Cable (Line Level)
- Single-Pair Audio Cable
- Microphone Cable
- 110 Ohm AES/EBU Single- and Multi-Pair Cable
- DT12 Snake Cable
- Gep-Flex Multi-Pair Audio Cable
- Audio Snake Cable
- Speaker Wire
- High-Definition Speaker Wire

## CAMERA

- 9.2 mm Extra-Flexible Hybrid Cable
- 9.2 mm Heavy-Duty Hybrid Cable
- 12 mm Heavy-Duty Hybrid Cable
- 16 mm Heavy-Duty Hybrid Cable
- 3-Channel Permanent Installation Fiber
- HD Electrical Breakout Cable
- Breakout Fiber Optic Cable
- Distribution Fiber Optic Cable
- Tactical Fiber Optic Cable
- Triaxial RG11 & RG59 Flexible Cable
- Permanent Installation Triaxial Cable

## VIDEO

- Ultra-Mini HDTV Coaxial Cable
- Mini HD-SDI Coaxial Cable
- HD Mini Video Snakes
- HD-SDI Coaxial Cable
- RG6, RG7, RG11 and RG59 Cables
- Video Snake Cables
- RGB Component Video Cable
- 9.2 mm Permanent Installation Hybrid Fiber
- Distribution Fiber Optic Cable
- Permanent Installation Fiber
- 3-Channel Permanent Installation Fiber
- Permanent Installation Triaxial Cable
- Carol<sup>®</sup> Brand Low-Skew Video Cable
- Security CCTV Cable

## ELECTRONIC/CONTROL

- Carol<sup>®</sup> Brand Security Cable
- Carol<sup>®</sup> Brand Access Control Cable

## NETWORK

- Enhanced Cat 5e, Cat 6 and Cat 6A
- Tactical Cat 5e
- Tactical Fiber Optic Cable
- Premise and Indoor/Outdoor Fiber Optic Cables Featuring ClearCurve<sup>®</sup> Glass

## POWER

- Carol<sup>®</sup> Brand SOOW, W, G-GC and G Portable Cord
- Carol<sup>®</sup> Brand Lighting Control Cable
- Carol<sup>®</sup> Brand Stage Lighting Cable
- DLO 2000 V
- GenFree<sup>™</sup> LSZH 600 V, 2400 V
- RHH/RHW High-Flex Construction, 600 V
- SunGen<sup>™</sup> Photovoltaic Wire (Solar Systems)
